CS TopFix™ 2T-90

Top Hung Double Track Wardrobe Slider

CS FOR DOORS is pleased to announce the release of the latest addition to the **CS WardrobeSliders** range, the **CS TopFix 2T-90**.

This dual door wardrobe sliding track is a cost effective wardrobe solution which creates space over conventional hinged door set ups.

The CS TopFix 2T-90 fits into standard 90mm framing and is easier to install and finish than similar products on the market. This product suits any wardrobe situation where space is at a premium.

Design Features & Options

- ▶ Top hung track and carriage system is engineered from high quality heavy duty extruded aluminium and ensures doors cannot jump off the track.
- ▶ Suitable for two door set-ups.
- ▶ Suits standard 35-38mm thick doors up to 90kg per two carriages.
- ▶ Track is supplied pre-finished with Matt Titania powder coat primer, ready for finishing.
- ▶ Grooved or architrave options available.
- ▶ Easy to install.
- ▶ Timber vertical jambs can be supplied as optional extras.
- ▶ Designed to fit into standard 90mm wall framing.
- ▶ Timber head jambs are not required, as they are replaced by a one-piece track that incorporates the 'head'.
- ▶ No unsightly floor guides.

Technical Details

Useful formulas

Dimension Required	2 Door Units
Trim height*	DH + 80
Floor to underside of track*	DH + 35
Trim width (Arch)	(DWx2) - 2
Trim width (Grvd)	(DWx2) + 20
Distance between jambs*	(DWx2) - 50
Distance over jambs (Arch)	(DWx2) - 12
Distance over jambs (Grvd)	(DWx2) + 10

DH = Door Height DW = Door Width
 * = Same calculations for Architrave (Arch) & Grooved (Grvd) jambs
 Note: All dimensions are in millimetres

Configuration Options
